

Susan Grode and David Halberstadter Named as Two of California's Top Intellectual Property Attorneys

August 17, 2016

Los Angeles partners Susan Grode and David Halberstadter were recognized by the *Los Angeles Daily Journal* as two of its 2016 Top Intellectual Property Lawyers. Susan noted that while confidentiality is key in her practice, examining trends and staying ahead of technology are a big part of her job. In a precedent-setting case involving an Oscar-winning film, David compared storytelling in movies and television to that of newspapers and textbooks, ultimately affirming that movies are fully protected by the First Amendment.
