Katten Los Angeles Team Member Completes 545-Mile Cycling Journey To Support AIDS/LifeCycle

June 15, 2018

Chris Olsen, Litigation services counsel in the firm's Los Angeles—Century City office, completed a week-long 545-mile trek with more than 2,300 other cyclists for the annual AIDS/LifeCycle ride from San Francisco to Los Angeles. The ride, which started at The Cow Palace in Daly City and ended in downtown Los Angeles, raised more than $16.6 million for the Los Angeles LGBT Center and the San Francisco AIDS Foundation.

"The advances in HIV medications has increased in the last several years," says Chris, "and people with good insurance can lead very healthy and productive lives. But for people who don't have the access and that kind of coverage, the Center and AIDS/LifeCycle are lifesavers. It's me doing my part, rather than just writing a check, to raise awareness and, hopefully, have a bigger impact."
