

### Rick Marshall Talks Hedge Fund Compliance in the Face of Remote Work

March 26, 2020

Financial Markets and Funds partner Richard Marshall spoke with *FundFire*, a *Financial Times* publication, on managing compliance challenges while adjusting to the work-from-home reality during the COVID-19 pandemic. Rick noted that employee oversight is key for hedge funds managers. He stated, "It's harder to supervise people in this setting. You have to be on top of that. If there is a problem, you have a rogue, I wouldn't be surprised if two years from now when this is all behind, the government won't be so forgiving about that."
