Governor Issues Guidance on Reopening for Texas Health Care Providers

April 28, 2020

Katten continues to help providers navigate federal, state and local laws as they look to restart elective surgeries and procedures. On April 27, Texas Governor Greg Abbott issued Executive Orders GA-18 (opening of retail, restaurants, shopping malls, etc.); GA-19 (regulating medical practice); and GA-20 (rescinding certain travel restrictions).

Health Care partner Kenya Woodruff and Michelle Apodaca, of counsel, have developed the following resource guide with links to the Governor's latest orders.
