

Global Restructuring Review Profiles Katten's US and UK Insolvency and Restructuring Practice

December 3, 2021

In an in-depth profile of Katten's US and UK cross-border practices, *Global Restructuring Review* detailed the breadth of the firm's insolvency and restructuring practice, noting it recently has been "carving out a name for itself in the retail and fashion sectors."

The overview features the firm's history of leadership, its historic track record, and top cases.

The piece noted the elevation of practice co-chairs Steve Reisman in New York and Peter Siddiqui in Chicago, following the untimely passing of national chair John Sieger. Also noted was the launch of Katten's first restructuring practice in the UK, led by Prav Reddy.

When identifying who relies on Katten's practice, the publication noted, "Everyone across the insolvency spectrum, but especially financial institutions and lending groups, in both complex bankruptcy proceedings and out-of-court restructurings."

The piece goes on to detail key matters on behalf of major lenders and debtors.
