

Katten and Rock Trade Law's Analysis on Aircraft in Violation of US Export Controls is Published by Several News Sources

August 5, 2022

Katten and Rock Trade Law had their latest joint advisory, "[BIS Identifies First Foreign-Produced Commercial Aircraft Exported to Russia in Apparent Violation of US Export Controls](#)," republished by several outlets including *Airline Economics Online*, *AVIATOR*, *Cirium*, *Lexology* and *Mondaq*. The advisory details the US Commerce Department's updated list of aircraft that have flown into Russia or Belarus in apparent violation of Export Administration Regulations by adding the first 25 foreign-produced aircraft that the BIS has identified as apparently violating the EAR's *de minimis* threshold for US components.
