

ABF Journal Features Financing for Jessica Simpson Collection as One of its Deals of the Year

December 27, 2022

The *ABF Journal* selected a deal led by Private Credit associate Michael Howald as one of its deals of the year for 2022.

Second Avenue Capital Partners (SACP) announced in May that it closed a \$67.5 million term loan for The Jessica Simpson Collection, a \$1 billion fashion empire and lifestyle brand. Michael represented The Jessica Simpson Collection in the negotiation of the new credit facility.

In featuring the deal, the *ABF Journal* quoted representatives from SACP and Jessica Simpson saying the deal as "very well organized and efficient" and "painless." The publication also noted how quickly the deal came together, with financing completed within six months and a month from the date the term sheet was signed until the transaction closed.
