March 22, 2023

Middle Market Growth, the Association for Corporate Growth's (ACG) official publication, took a closer look at Katten's [2023 Middle-Market Private Equity Report](#), which notes that financial services is a "sector primed for dealmaking." The article notes that despite financial institution layoffs, "many PE dealmakers see financial services layoffs, falling stock prices and lower valuations not as a warning sign, but as an opportunity — and hope to leverage this moment to invest in financial services at a bargain price."
