June 5, 2024

The Spring 2024 Thought Leadership Awards by Mondaq, which showcase the platform's top contributors based on total readership, named Katten among the Top Firms in the United States region. The awards program also recognized Intellectual Property Partner and Advertising, Marketing and Promotions Chair Christopher Cole as a top author.

Chris' article about foreign corruption in advertising markets, specifically related to office raids in Shanghai based on allegations of bribery in the placement of media by WPP subsidiary Group M, placed third among all topics on the Mondaq platform. The same article placed first in the category of Media, Telecoms, IT and Entertainment.
