September 17, 2024

Law360 recently recommended five health and life sciences podcasts that attorneys should check out this fall. Featured on the list is the American Bar Association (ABA) Health Law Section's "Voices in Health Law," on the latest news in health law. The podcast features Katten Partner Ramana Rameswaran as one of its rotating hosts. An attorney making the recommendation stated that they enjoyed it "because it effectively tackles timely topics within the health care legal sphere, featuring insights from prominent industry experts."
