

Joshua Rubenstein Quoted in *Crain Currency* on Trust and Estate Planning Strategies in 2025

January 2, 2025

Partner and National Chair of Katten's Private Wealth Department Joshua Rubenstein was quoted in a *Crain Currency* article on emerging trust and estate planning strategies in 2025.

Joshua commented on the importance of timing when it comes to transferring assets.

"Giving away assets always makes sense — and the sooner you give them away, the better," said Joshua.

Joshua went on to recommend this still, considering the federal estate tax exemption, which increases to \$13.9 million in 2025, is expected to be extended by President-elect Trump and the Republican-controlled Congress.
