Neil Robson Discusses Potential Whistleblower Reward Scheme With *Solicitors Journal*

April 25, 2025

Solicitors Journal recently spoke with Financial Markets and Funds Partner Neil Robson regarding the whistleblower reward scheme the UK Government is considering as part of a new Fraud Review. Neil states, “For a long time, in the USA, the rules have been such that whistleblowers have been financially incentivized to provide information on wrongdoing.” He sees the potential in such a program domestically, who previously only had US agencies providing rewards. “A whistleblower's reward scheme that incentivizes people to act as 'informants' and provide useful information to allow UK enforcement agencies to prosecute wrongdoing has to be one area that is a win for society.”

“New fraud review could incentivise whistleblowers,” *Solicitors Journal*, April 24, 2025

“Independent review launched to tackle the UK's 'biggest crime' – fraud,” *Grip*, April 25, 2025
