The Lawyer Calls Katten 'the US Firm to Watch' in the UK Market

June 10, 2025

The Lawyer featured Katten as "the US firm to watch" in its "Horizon Daily Newsletter." The article highlights Katten as the standout US law firm in the UK market for 2024, surprising many who might have expected more prominent names like Kirkland, Latham or Paul Weiss. Under the leadership of Christopher Hitchins since January 2021, Katten's London office has doubled its revenue, marking a 38.4 percent increase in the past year alone. With 18 partners, Katten's average revenue per partner (RPP) now stands at $1.64 million, making it the fastest-growing firm in RPP both year-on-year and over the past five years (up 75 percent).
