Joshua Rubenstein Quoted in *Citywealth* on Favorable Conditions for Trusts in Bermuda

June 23, 2025

Citywealth recently published an article examining how Bermuda has positioned itself as an increasingly common jurisdiction for establishing trusts. Joshua Rubenstein, partner and national chair of Katten's Private Wealth Department, agreed.

"Bermuda is one of my favourite trust jurisdictions," Joshua said. "It offers modern and flexible trust legislation without being so aggressive that it calls negative attention to itself with the regulators. Sort of the Aesop's fable where slow and steady wins the race. From my standpoint, clients are best protected in a jurisdiction of uncompromised integrity and world class talent such as Bermuda."
