August 11, 2025

Law360 and *citybiz*, among others, highlighted the arrival of Structured Finance and Securitization Partner Karen Anzalone. Her practice includes representing issuers, underwriters, servicers and loan sellers on public and private CMBS transactions, including conduit and single-asset, single-borrower matters.

Regarding her decision to join Katten, Karen shared, "Katten presented for me a compelling opportunity, not only because of their really strong reputation in the structured finance and securitization space and the firm's really collaborative culture, but also because of the unique chance to work closely with Josh Yablonski."
