

Katten Advises CleanSpark on Acquisition and Commencement of Development for Additional AI Data Center in Texas

March 12, 2026

A multidisciplinary Katten team led by Capital Markets Partner and Co-Chair Mark Wood and Private Equity/Mergers and Acquisitions Partner Josh Feiger served as legal counsel to CleanSpark, Inc. (Nasdaq: CLSK) in connection with its acquisition of approximately 155 acres of land, and rights to acquire an additional adjacent approximate 437 acres of land, in Brazoria County, Texas, along with rights to approximately 306 mega volt-amperes to support the development of a next-generation data center campus.

The transaction positions CleanSpark, Inc. to deliver additional scalable, resilient and energy-efficient capacity to meet accelerating demand from artificial intelligence, cloud and enterprise workloads, and further the company's growing data center-related business.

Katten advised on the structuring, negotiation, and execution of the transaction and related documentation. The Katten team included Corporate Associates Kylie Sholty and Dylan Londrigan; Real Estate Partner Glenn Miller, Senior Counsel Ken Jacobson and Associate Katie Ward; Transactional Tax Planning Associate Dan Collins; and Environmental Partner Nancy Rich.
