Alexander Kim Spotlighted in *John Lothian News* for Interactive Prediction Markets Map

April 9, 2026

Financial Markets and Funds Associate Alexander Kim was recognized by *John Lothian News* for developing an interactive map with AI-generated visualizations tracking all pending cases between prediction market operators and state regulators.

John Lothian's "Hits & Takes" column noted that he had been working on his own scorecard for "Prediction Markets vs. States — Open Cases and Timeline," and highlighted that Alex had independently built a complementary resource. He noted that both his scorecard and Alex's map are provided for informational purposes only and are not intended as legal advice; readers are encouraged to verify all information independently.
