London Restructuring Group Ranked in Legal Directories and Nominated for Industry Award

October 15, 2026

Katten's London Restructuring practice has been recognized in the 2027 editions of the *Legal 500* United Kingdom guide (as a “Firm to Watch”) and of the *Chambers UK* guide (with Partner James Davison, practice head, being ranked), in the first publications released since the team's arrival at the firm in early 2026.

In addition, The IFT, a leading membership organization for turnaround and transformation professionals, named Katten on its shortlist for “Legal Adviser of the Year 2026”, with the winners due to be announced at The IFT's upcoming Annual Awards Dinner.

These accolades reflect the quality of work undertaken by our team following their arrival at Katten, and the strength of client feedback. The firm continues to invest in the growth of our London office and has welcomed a series of exceptional attorneys this year, with further announcements to be made in the coming weeks.
