

Partner Alyx Pattison Named *Pro Bono* Volunteer of the Month by Illinois Legal Aid Online

July 11, 2012

Illinois Legal Aid Online, a nationally recognized, groundbreaking statewide technology center for legal services, has selected litigation partner Alyx Pattison as its *Pro Bono* Volunteer of the Month for July 2012. Each month the group highlights a member of the legal aid community who is doing exemplary work. Jonathan Baum, Katten's Director of *Pro Bono* Services, nominated Ms. Pattison for the recognition based on her perseverance and extensive *pro bono* efforts in cases regarding asylum and employment discrimination and appellate briefs involving major constitutional issues. Ms. Pattison, who focuses her *pro bono* work on the fight for women's rights, encourages others to become involved in representing people in need. "This is important work; it makes a difference and it will make you feel good, too." Click [here](#) to view a video profile of Ms. Pattison and her *pro bono* practice.
