

## Partner Scott Morrison Quoted in *Washington Business Journal* on Fraud Claims Suit

July 15, 2011

Scott Morrison, a partner in the firm's Litigation and Dispute Resolution Practice, was quoted in an article in the *Washington Business Journal* on George Chopivsky's lawsuit against Specialty Hospitals of America LLC, alleging fraud on the part of Specialty's owners to line their own pockets. Mr. Chopivsky was a Specialty vendor and a potential buyer of the hospital; Mr. Morrison is representing him in the Superior Court of the District of Columbia. "There's a huge difference and an important societal difference between an entity that, through whatever normal business circumstances, can't afford to pay its debts any longer, and a company that's been intentionally stripped of its assets for the purposes of avoiding its creditors," Mr. Morrison says.
