## ***Best Lawyers***<sup>™</sup> Recognizes Three Katten UK Partners

(London) Katten Muchin Rosenman UK LLP announced that three of its UK attorneys have been recognized in the 2025 edition of *The Best Lawyers*<sup>™</sup> in the United Kingdom as a result of having been identified by their peers in a range of practice areas.

Named in the list were: Carolyn H. Jackson in Derivatives, Neil Robson in Investment Funds and Charlotte Sallabank in Tax.

First recognized in 2020 for her work in derivatives, Jackson helps clients solve complex cross-border issues involving the regulation of financial institutions and financial products. Both Robson and Sallabank have been recognized since 2023 for their work in investment funds and tax law respectively.

*Best Lawyers*<sup>™</sup> is based on a peer-review survey in which leading attorneys cast ballots evaluating the quality of the legal services of their colleagues in their practice areas. Selected lawyers are checked against state bar association sanction lists to make sure they are in good standing with the ethics committee of their state bar. Recognition by *Best Lawyers: Ones to Watch* is based entirely on peer review and employs the same methodology that has made *Best Lawyers* the gold standard for legal rankings worldwide.
