

HEALTH CARE LEGAL AND COMPLIANCE EDUCATION PROGRAMS

Our Clients

Katten's Health Care practice offers a comprehensive curriculum of complimentary seminars that can be tailored to client educational needs. In addition to providing valuable information to hospital administrators, medical staff, life science leaders and other health care providers, these programs carry continuing legal education (CLE) credits in California, Illinois and New York where Katten is an accredited CLE provider. We can explore the availability of CLE credits in other jurisdictions. Programs are available in our Katten offices, in your offices, or via teleconference or webinar.

Following are just a few of the educational programs we offer on health care legal and compliance topics. In addition to the seminars detailed below, we are happy to customize training sessions based on your needs.

Clinical Integration Strategies

- Volume to Value: Strategies for Maximizing Your Margins
- Continuum of Clinical Integration Strategies and Regulatory Implications
