Chambers and Partners' staff of full-time researchers prepares legal directories that assess and rank the world's leading lawyers according to their reputations among peers and clients. The US guide was first introduced in 2003 and ranks the leading lawyers and firms in an extensive range of practice areas throughout the country. Chambers USA: America's Leading Lawyers for Business is read by industry-leading companies and organizations throughout the United States and worldwide, and is widely used by firms for referral purposes.

Katten is a full-service law firm with more than 600 attorneys in locations across the United States and in London and Shanghai. Clients seeking sophisticated, high-value legal services turn to Katten for counsel locally, nationally and internationally. The firm's core areas of practice include corporate, financial services, insolvency and restructuring, litigation, real estate, environmental and workplace safety, commercial finance, intellectual property, structured finance and securitization, and trusts and estates. Katten represents public and private companies in numerous industries, including a third of the Fortune 100, as well as a number of government and nonprofit organizations and individuals.
