

Katten Attorneys Named to *The Hollywood Reporter's* List of Top Sports Lawyers

Katten announced today that Sports and Sports Facilities Partners Adam Klein and Daniel Render, along with Real Estate Partner Jason Gorczynski, were selected by *The Hollywood Reporter* for its Top Sports Lawyers list, which recognizes some of the most sought-after attorneys in professional sports.

The recognition underscores the firm's standing as a go-to advisor for various teams, investors and lenders across Major League Baseball (MLB), National Basketball Association (NBA), Major League Soccer (MLS), National Hockey League (NHL), National Football League (NFL), Women's National Basketball Association (WNBA) and National Women's Soccer League (NWSL), and reflects the role Katten's Sports and Sports Facilities practice, led by Co-Chairs Adam and Daniel, has played in several of the biggest recent deals in sports business.
