Ethan Post focuses his practice on private merger and acquisition transactions. He is well-versed in representing both buyers and sellers in these transactions. He also provides counsel on corporate governance and other general corporate matters. All of these range across a variety of industries, including private equity, home services, technology, higher education services and health care.

## Guiding clients through mergers and acquisitions from start to finish

Ethan has significant experience in managing entire client transactions. In the past year, Ethan has taken the leading role in several key mergers and acquisitions. He regards his practice as one of problem-solving for the client — whatever the issue. He starts by learning a client's goals and discussing how to achieve them. Then he drafts and negotiates the necessary contracts to accomplish these goals.

In 2015, Ethan successfully completed the Fullbridge Program. While in law school, he served on the editorial board of the *Virginia Journal of Law and Politics*.
