Representative Experience

- Acted for the defendant in a double derivative, unfair prejudice petition in respect of a claim for fraudulent breach of trust relating to a company registered in Saint Vincent and the Grenadines that operated hotels in the United Kingdom and Cyprus. Claim made via the beneficiaries of a trust company alleging defendant misappropriated sums in excess of £30 million in fraudulent breach of trust and that he was a *de facto* director. Claim was dismissed in its entirety. Follow-on proceedings related to non-party costs orders.*
- Acted for the trustees of the majority shareholder of a company domiciled in Saint Vincent and the Grenadines in the Eastern Caribbean Court of Appeal against a decision of the High Court to dismiss an application for the rescission of a winding-up order. Succeeded in appeal; case remitted back to the High Court.*

- Acted for administrators of a company that operated under government contracts to provide probation services following privatisation. Involved a sale of the business and assets of the company and the novation of government contracts. Negotiated with multiple relevant governments and their advisers.*
- Acted for financial institution in applying to strike out/summary judgment in relation to a claim asserted by borrowers of a foreign currency mortgage for negligence, breach of duty and deceit. Court of Appeal's judgment now one of the leading authorities on set off and limitation claims relating to mortgage debts.*
- Acted for a bank and the LPA receivers in relation to a claim for breach of duty (against the receivers) and undue influence (in relation to the bank) regarding a £25 million mortgage secured against a London residential property valued at approximately £40 million.*
- Acted for administrators of a company who had been appointed by a charge holder pursuant to their qualifying floating charge in circumstances where it was alleged that the charge holder had failed to disclose to the administrators that there was a unfair prejudice petition issued in advance of the administrators' appointment that sought a declaration that the charge (upon which the administrators were appointed) was invalid. The applicants sought an injunction against the administrators and an order for their removal under paragraph 81 of Schedule B1 to the Insolvency Act (improper motive). In an expedited hearing, the High Court dismissed the paragraph 81 application and discharged the injunction.*
- Acted for administrators of one of the largest UK suppliers of cosmetic surgeries. Advised with regard to a group litigation action involving more than 1800 claimants.*
- Successfully acted for the joint administrators on an application for delivery up of the company's former solicitors files where a joint retainer party objected on the basis of joint privilege. The application also considered the position where the administrators had assigned claims to a third party and the position of joint privilege in those circumstances.*
